Turn, Turn, Turn

A time to build up, a time to break down, a time to dance, a time to mourn; a time to cast away stones; a time to gather stones together. To everything there is a season and a time for every purpose under heaven.

Book of Ecclesiastes

As high school students, we face many turning points in our lives. We can look back and remember all the new friends we've made, and all the good times we've shared together: our school dances, football games, basketball games, swimming meets, Nature Appreciation Club meetings, class plays and talent shows. We remember our triumphs: the football team going to playoffs this year, the millage passing after a great deal of worry, Marysville being SCAL champions in every athletic sport, and personally Helen Johnson being All-State Champion in cross-country. Even our defeats: failure of the millage; jeopardy of our athletic program; or more personally, failure of a class or grade, were not really defeats at all. We learned from our mistakes, and by doing so, we became even better champions.

Board of Education

Mr. Robert Miller, Mr. Louis Schmorrow, Mr. William Berger, Mr. Larry Eagen,
Mr. Don Steele, Mrs. Shirley Bellow.

The Marysville Board of Education is an elected group of citizens interested in education. They work with Administrators Mr. Pake and Mr. Wiltse to implement the peoples voice in the decision making process. This year's board is pleased that the millage passed with community support. It will maintain current academic athletic programs, reinstate wrestling, reading and a Junior High counselor along with vocal music.

Varsity Club...

Only the girls' Varsity Club has sold cheese and sausage for several years. This year the annual fund raiser was sponsored by both girls' and boys' clubs. They sold cheese and sausage to help pay for awards and for patches.

Each varsity club member worked very hard to reach his goal.

In order to become a Varsity Club member a student must obtain two varsity letters in any sport and reach seven athletic merit points.

The points can be earned by working in the concession booths or by selling cheese and sausage quotas. The current president is Annette Durcan, who has been in the club for three years. She participated in both softball and basketball. The vice president of the club is Jane Goriniac. A two year member, she was on the swim team.

The treasurer of the club is Sue Burns who is a first year member. Sue, a junior, was on the softball team and the basketball team. This year's secretary is Tammy Schenck and she is a junior. Tammy has been in the club for one year and she was on the softball team.

The boys' Varsity Club is off to a busy start. This year the cheese and sausage sale was the main fund raiser. The sale was held to raise money for championship patches and individual four year awards. The championship patches are given to a team when they win a S.C.A.L. or Regional Title. Four year awards are earned when a student participates in one particular sport over four years.

The Varsity Club also was funded by money raised from the concession stand at the J.V. and Varsity basketball games.

To be in the Varsity Club, a student must have one major varsity letter or two minor varsity letters. A major varsity letter is earned by participating in a team sport. The team sports are football, basketball and baseball.

The minor sports are individual sports such as golf, swimming, tennis, track, and wrestling. A varsity letter is worth three points whereas a student needs seven points to become a member.

After a student earns membership, he is eligible to buy a jacket. The president of the Varsity Club is Dee Boulier, who has been in the club for two years. Dee was the captain of the football team. The vice-president of the club is Erik Barden, who has been in the club for two years. Erik has participated in wrestling and football. The treasurer, Jim Grosser, has been in the club for four years. Jim participated in football and was on the track team. The theme of this year's yearbook is *Turning Points*. Mrs. Kiefer, the Yearbook Advisor, was very pleased with advance sales. She stated that there will be a very limited supply of extra books. Twenty-five students are currently on the yearbook staff. Many are new people to yearbook production, but Mrs. Kiefer stated that the new members are quick learners and are doing well.

The layouts are challenging this year, but the smaller senior staff has worked to maintain quality. This year's senior staff are as follows: Editor-in-Chief, Cindy Riebandt; Senior Editor, Don Mack; Craine & Williams Rep-

resentative, Diana Leaym; Ad Manager, Lisa Vantroosenburghe; Business Manager, Jane Gorinac; Sports Manager, Cary Bowman. Mrs. Kiefer also stated that yearbook is a business and is a good practical experience in the business problems and organization.

In the class the students learn to call on advertisers, sell ads, compose contracts, give interviews to coaches and advisors or other athletes and club members.

The Editor-in-Chief Cindy Riebandt, stated that even though this year's class is very inexperienced they are progressing very well.

Mrs. Kiefer, yearbook advisor, said "Cindy has been very conscientious about her job. Cindy works well with everyone."

This year's ad manager is Lisa Van-Troostenberghe who has been in the class three years and her main job is to see that all the ads get into the book that are to be in the book.

Don Mack, as the Senior Editor, is in charge of all the layouts that are done by the class.

One of the most important people in the class is Rob Lange. He is in charge of all the photos that go into the yearbook.

Their main job was to get the paper out on time.

Other important members were Jim Grosser who was in charge of the sports section and his assistants Scott Lock and Renee Mozal who have been in the class for one year.

They wrote a sports column from ideas that Jim Grosser gave them.

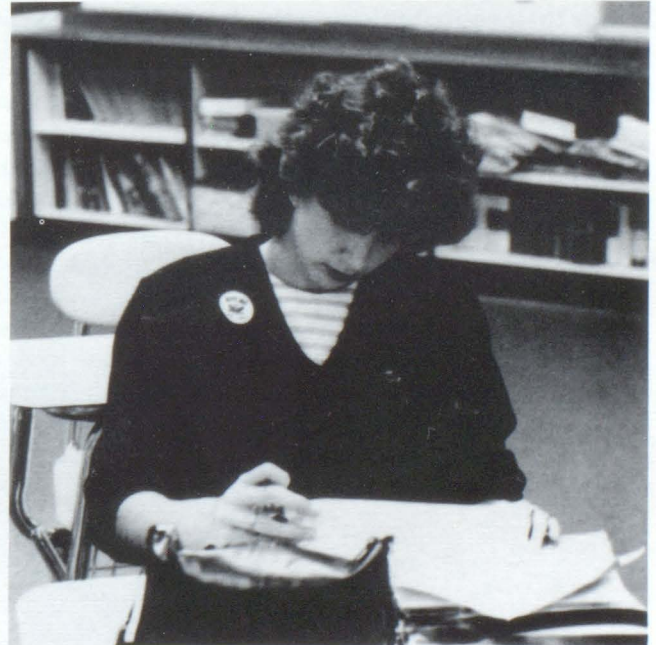

In charge of the layouts was Stephanie Fody who has been in the class for two years.

Other members of the class that did the news are Amy Lasher and Wendy Jowett. They have both been in the class for one year.

Mr. Schmorrow said that everyone in the class has done a fine job.

Amplifier Delivers On Time

The 1984-85 *Amplifier* had a good year. They introduced new goals and columns. On the average the *Amplifier* sold a little over three hundred copies per printing. The papers were printed twice monthly and were sold for ten cents per copy. They have made about four hundred dollars in profits each year and planned to spend it on a new Commodore 64 computer system. Mr. Schmorow said, "We buy things for the paper to make it easier for the students." The computer has saved much paper work and has done many tasks such as making it possible to edit copy right on the computer along with computer-justified columns. Another feature recently added to this year's *Amplifier* was the Rock-n-Roll and Game page. Overall, Mr. Schmorow expressed that the 1984-85 issues of the *Amplifier* have been better than ever. Mr. Schmorow also felt that three of his students: Ron Hart, Stephanie Fody, and Dylan Schmorow deserved extra special recognition for their contributions to the *Amplifier* over the past three years. The student body has truly appreciated the *Amplifier* staff and their efforts.

Top Row: Christy Carter, Pat Maday, Stephanie Fody, Ron Hart, Dylan Schmorow. Middle Row: Renee Mozal, Terri Hand, Tammy Schenck, Fred Ciaramitaro, Jennifer Drake, Jim Grosser, Scott Lock. Bottom Row: Amy Lasher, Wendy Jowett, Wendy Jones, Kim Behn.

1.

2.

The first issue of the *Amplifier* appeared in 1925. It has come a long way since then. It underwent many changes. Those first issues were published monthly in contrast with the present printing every two weeks. There was also a strange twist in the authors of the *Amplifier*. The paper was for the student body but written by the faculty. In order to teach at Marysville High School each teacher had to write a column for each issue of the *Amplifier*. This year the *Amplifier* celebrated its 60th Anniversary which a local newspaper, the *Times Herald*, wrote about.

National Honor Society for the 1984-85 school year consisted of thirty-nine members; twenty-five seniors and fourteen juniors. Marysville Honor Society was established in 1937, sixteen years after the initiation of the National Society. The Honor Society has tried to achieve a membership of individuals who are "well-rounded and fit the mold". The Society's definition of one who is "well-rounded" is an individual who is exceptional and outstanding in ability and responsibility. Leadership, Scholarship, Character, and Service contributed equally to the selection of individuals who would qualify to join. Acknowledgement as a member of the National Honor Society has meant a great deal to many members especially after the high school years. Members have found the society experience helpful while out in the job market or in joining clubs in college.

NAC Returns

1. Vice President, Steve Maynard looks over some of the agenda for the next NAC meeting.
2. Mr. Goetz, founder of the Marysville Nature Appreciation Club, watches over some of his members as a meeting is adjourned.
3. Mr. Goetz discusses future plans and goals of this year's club to most of the members.

Although Mr. Goetz has advised the Nature Appreciation Club for five years he still finds every year a new and exciting adventure. With seventy-two members Mr. Goetz held meetings about once a month and also held extra-curricular activities, like the "NAC attack". The attack was a game involving several teams which competed to reach home base first. It was similar to a scavenger hunt, however the teams found clues which led to different destinations including Marysville, St. Clair, Port Huron, and Smiths Creek.

Other activities planned throughout the year were a visit to a National Hockey League game (the Detroit Red Wings vs. the Winnipeg Jets); the third annual volleyball challenge; a euchre tournament; a ski outing; a visit to the Detroit Science Center, Nature Center, Sea Aquarium, Detroit Zoo; and a spring nature hike.

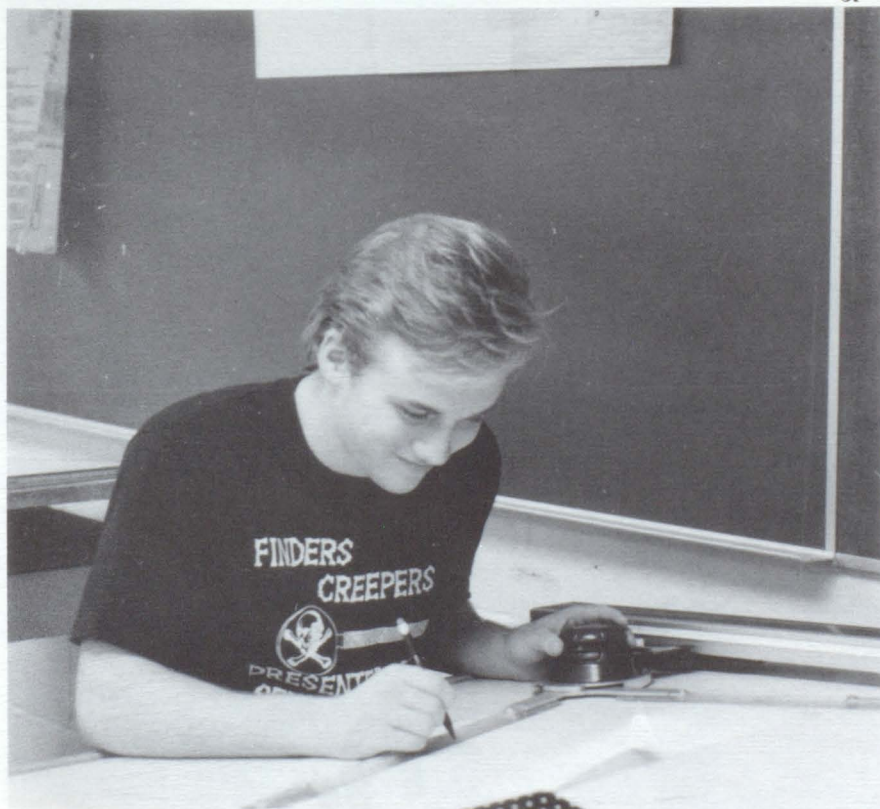

When Mr. Goetz was asked the purpose of the club, he replied, "I have a lot of respect for the preservation of wildlife and natural resources. I think it's a very important factor of man's survival. The club promotes these values."

On another note dealing with fund raisers, Mr. Goetz said he is considering establishing an optional membership fee. He also planned to sell candy and hold a car wash as a source of income.

The Nature Appreciation Club did not function at Marysville High last year because several students neglected and abused the rules while on the club's annual ski trip. The NAC now has a rules and regulations handbook which each member received upon entry into the club. Mr. Goetz felt that the students' conduct on the ski trip has been disappointing. So Mr. Goetz waited until this year to bring NAC back after a one year absence. He now feels it's going better than ever.

Roger Beedon, club president, stated that he liked the NAC because it gave people the chance to be together out of school, as a club, furthermore he liked to learn about nature.

This year's officers were: President - Roger Beedon, Vice President - Steve Maynard, Secretary - Leann Deising, Treasurer - Shelly Benoit, and Jill Potrykus as the Activities Director.

This year's senior play was a mystery-comedy entitled "Finder's Creepers". It was about two boys, Wilbur and Hercules, who came to spend a weekend with Hercules' Aunt Mary and Uncle Bob. Little did they know Aunt Mary and Uncle Bob were undertakers. They were all ready to head home pronto, especially after they found there was another "guest" in the house, an old man named Jason Quigley who "ran out of gas". But when Wilbur met Celeste, Herc's cousin, they stayed. Mr. Quigley, the dead "guest", walked around and read the paper and climbed into bed with Hercules. The boys were mortally terrified. Now Herc wanted to leave - until he saw Nina, the "deceased's" granddaughter. Wilbur and Hercules set out to solve the case and soon went from bad to worse to terrible. Hercules tipped off Nina that her grandfather was still alive, she tipped off the family. Uncle Bob was implicated as the old man's killer, then mistakenly carted off to the klink. The boys finally came face to face with the culprit. It seems Dr. Brown wasn't really a doctor, he was fond of Madeline, Mr. Quigley's sister, but she wouldn't see anyone but Mr. Schuster, so he decided to eliminate Mr. Quigley and make it look like Madeline and Mr. Schuster were the killers.

Musical Takes the Spotlight

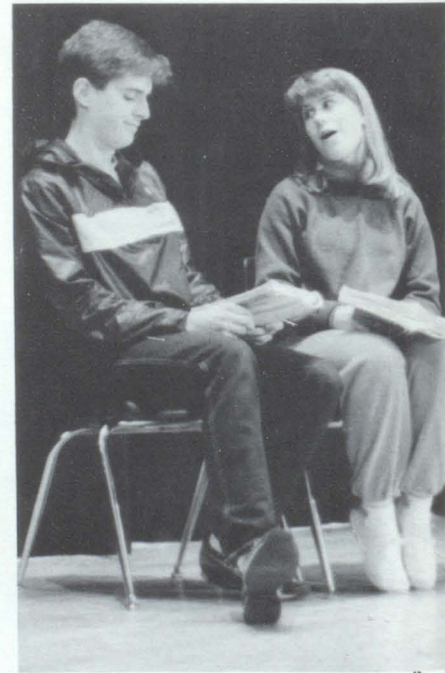

Top Row: Ed Ingram, Jim Bushaw, Rob Borsuk, Dean Parrot. Second Row: Scott Erbe, Lisa VanTroostenberghe, Kathi Rajczi, Don Greenhoe, Paul Erbe, Bob Burns. Third Row: Lynn Hollingsworth, Anne Burczycki, Mindy Woods, Leann Conley, Sara French, Michelle Anderson, Cindy Riebandt, Amy Jensen, Jillaine Potrykus, Tammy Duncan, Jill Foster, Melisa Mallwitz, Jill Parrot. Bottom Row: Julie Farrer, Stephanie Fody, Kevin Palmateer, Gretchen DenUyl, Paul Netter, Cristy Cubitt, Jose Rubio, Rhonda Smarch, Char Schindler, Bonnie Byrne, Becky Brown.

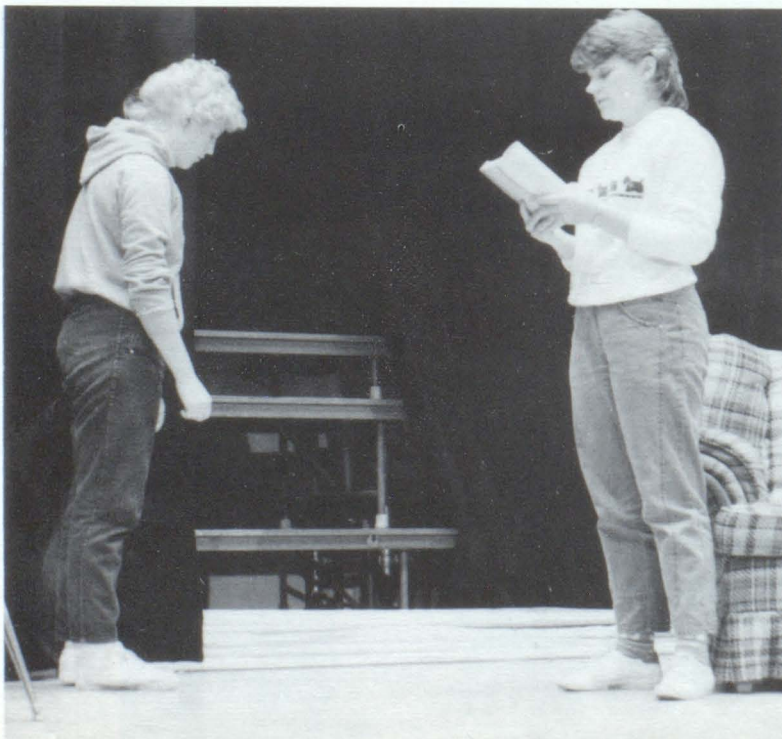

The cast of the 1984-85 musical, "The Sound of Music", demonstrated their theatrical ability to relatives and fellow classmates on March 22 and 23 in the MHS auditorium. A popular Broadway favorite, "The Sound of Music" is set just prior to World War II in Austria. A young postulant, Maria, is sent to care for Captain VonTrapp's seven children, whose mother died about a year before. She cares for them well, and teaches them to sing. She eventually falls in love with Captain VonTrapp.

She decides to leave the convent and marry. Captain VonTrapp does not want to serve in the German Army, so the family escapes across the mountains where they eventually are free.

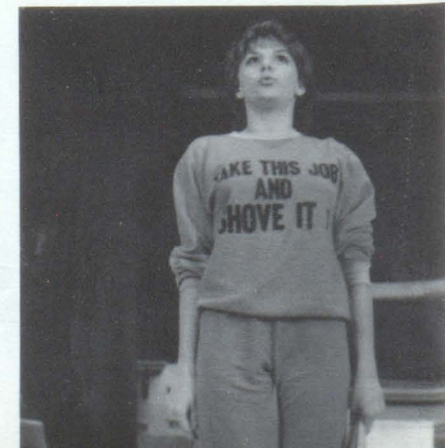

"We had to 'start at the very beginning' but we managed to fill the auditorium with 'The Sound of Music'," Miss Butler, co-director, said about the musical. "Challenge - that's the only way to put it. But what an exciting challenge," Mrs. Jarcow, co-director, said about the musical.

The clarinet section was the strongest feature of the 1985 Concert Band. The 75 members grossed just over three thousand dollars by selling fruit in the fall and geraniums in the spring. Most of the money raised was used by the band to attend the district 16 Band Festival Competition which

was held on March 9, 1985. At this competition the Vikings competed with other Class B schools.

Concert Band had four performances in the 1984-85 school year; the Christmas Concert, Band Festival, and a special performance at the Woodlands School. The band played a

wide variety of music. Their program ranged from category Jazz to Classical. The Concert Band instructor, Mr. Jarchow, said, "The Band as a whole is enthusiastic and works hard."

J.V. and Varsity Valhallas

Seventeen girls belong to this year's Varsity Vallhallas. The Captains of the squad, Wendy Jowett and Lisa Siemen, said the girls worked very hard to be members of the Vallhallas. They practice three times a week for two hours each day.

Coach Joey Balinski, stated this year the team went to the Silverdome for competition. The team did something different, they coordinated with the band and flag girls for the football games. This is the very first time this has been done. Mrs. Balinski said that she and the girls really enjoyed working with Mr. and Mrs. Jarchow and the Viking Regiment and also really enjoyed working with the team too. Mrs. Balinski also plans on being the coach for the next several years. Although this is Mrs. Balinski's first time as being a Coach, she likes to maintain good discipline. She said sometimes the team found it difficult to understand her opinions about certain rules. Mrs. Balinski said no matter if the team members are freshmen, sophomores, juniors, or seniors they are treated equally as long as they work up to Varsity standards. The girls have to maintain the standards of the Varsity Constitution. Mrs. Balinski stated the rigorous training improves team morale and helps the girls bring out all their good qualities.

This year the girls went to the Silverdome. During the 1983 Silverdome competition against other teams the Vallhallas took a first place and fourth place in two competitions. Coach Linda Switzer said that the girls were very excited about going to the Silverdome. Coach Linda Switzer also stated she really enjoyed working with the girls and plans on continuing as coach next year.

Coach Linda Switzer likes to maintain good discipline. She said sometimes the team found it difficult to understand her opinions about certain rules, for example not chewing gum at practices. However, Mrs. Switzer said that all the girls are treated equally as long as they work up to J.V. standards. The girls have to maintain and follow the rules of the Constitution. Mrs. Switzer said she wants the girls to be the best they can be.

The Varsity Cheerleading team consisted of ten members, four seniors and six juniors. The girls competed in early fall tryouts and won a post based on jumps, stunts, cheers, and a written test. Coach Sharon Badley and five other judges selected the winners.

The squad captains change during the year to permit different members the opportunity of leadership. For football season Jill Gates was captain, and Becky Brown co-captain. The basketball captains were Gina Sampson, captain and Becky Brown, co-captain.

The Cheerleaders attended a competition in Richmond on January 12, 1985. At this competition they had to perform two cheers. The squad chose Michelle LeCaine to represent the squad in the individual competition.

The team has had several fund raisers throughout the year, such as selling carnations. With the money, the team bought the Varsity Cheerleaders new sweaters for the basketball season. When asked, Coach Badley commented, "The Varsity Cheerleaders have had a successful year and are looking forward to more fan support during basketball season."

J.V. and Freshman Cheerleaders

Coach Sharon Badley had some strong feelings about teamwork for this year's J.V. and freshman teams. Coach Badley commented that the girls work, but some do not give their best, as they should. "If they can't be serious about what they do, they shouldn't bother," she said. However, among the players on the squad who gave outstanding efforts and built team spirit were Becky Brown, Sheri Dazer, Amy Johnson, and Shelley Badley.

The cheerleaders are active and well-liked by most Viking fans, as proof Coach Badley commented, "We were very fortunate to have our Varsity Captain Jill Gates and J.V. member Mindy Woods on Homecoming Court this year." The J.V. and freshman cheerleaders have put in a lot of time during both football and basketball games. They attended a competition in January at the S.C.A.L. meet in Richmond. The cheerleaders also did a lot of fundraising activities which included balloons, carnations, and after game dances.

The Vikings concluded a successful season this year, however they could not capture the elusive trip to the state finals. After posting a 9-0 record in the regular season the Vikings won their ninth straight S.C.A.L. title. The Vikings advanced to the state playoffs for the third time in four years. In their first game against Fenton the Vikings trailed 7-0, but, they came back to tie the game then sent in into overtime. Fenton made a vain attempt to counter in overtime and had to settle for a field goal. Then the Marysville offensive unit took over. Troy Baker scored on the first play of the series to advance the Vikings to the semifinals.

The Vikings finished the season with a 19-7 set back to Monroe, ending their season and dreams of a state title. However, Coach Braun feels the team gained experience and is looking forward to another great season next year.

Members of the team selected to First Team All League were: Mark Hondzinski, Joel Vollstaedt, Todd Robinson, Troy Baker, Jim Grosser, Dee Boulter, John Berger, and Kevin Palmateer.

Junior Varsity and Freshmen

1. As the National Anthem is sung in Viking Stadium, the junior varsity is ready to maintain a perfect 8 - 0 record.
2. Coach Houck contemplates the problems of his five years as junior varsity coach.

Two of the toughest games the Junior Varsity Football team faced this year were against Port Huron Northern and Port Huron High. According to 9-year veteran coach Paul Jackson, the rivalry between the schools is intense. Not only do many opposing players know one another but the fans make a special effort to fill the stands whenever the Vikings collide with those neighboring rivals.

Coach Jackson commented that this year was fun, and that the teams had many good people that worked hard. He added that getting ready for the challenge of each contest proved to be tougher than the actual playing of the game. Coach Jackson also felt the team had exceptional balance. He said, "Other players were able to step in for injured players and perform well. This gave us good depth." The enthusiasm and depth of the team helped them capture a 8-0 record this season.

This year's captains were Matt Taylor, Dave Wilson, and Pat Ropp.

Coach Quinlan also commented on the most difficult and talented team that they played against. It was their first and most emotional game against their rival Port Huron Northern. Although he added their toughest and most physical game was against North Branch.

Coach Quinlan went on to say "It was a very fast season, because it was a lot of fun." The captain this year was Jeff Patterson and the trainer was John Sinda. The Marysville Viking freshmen team went 7-0 this year.

The Boys' Varsity Basketball team suffered many disappointments this season, however this was not unexpected since the current squad had only five returning players. Since this was building-year, Senior Kevin Palmeteer was pleased with the team's good sportsmanship and good morale. Even with only five returning veterans he said, "The starters showed good potential, and lost some games by only a few points. That could have changed the way the S.C.A.L. turned out, and when the chips were down the team stayed together." The team's captains this year were Seniors Darrell Rebman and John Strzelecki, both players averaged more than ten points per game.

The toughest teams the Junior Varsity boys' basketball team played were St. Clair and Bishop Gallagher. Coach Gkekas felt scoring seemed to be a strong point, however he also thought defense could have been improved. Coach Gkekas said, "The team is a very talented group of individuals. It's very important to be team oriented. The Varsity can look forward to some heights and speed." Jeff Smith was the most valuable player with an average of 13.0 points per game. The leading scorer was Tom Hornbacher after returning from Varsity team and Tom scored thirty points in the home game against Richmond.

Vikings Score Big In "84"

Varsity Baseball had another successful season as they went 22-4. The season was capped by a trip to the Regionals in Mount Morris. They were not defeated until the final round against Fenton. This year's most effective pitchers were Senior Dave McKenzie who went 5-1 and Senior Tim Smith, who went 6-2 and also earned All State Honors. Coach Houck felt Steve O'Mara was the most instrumental in getting the guys **psyched-up for every game**. Coach Houck went on to add that he considered Cliff Bergdoll as the most improved player on the team this year. Tim Smith set many of the batting records this year. He hit twelve home runs and batted .414 for the season. The Viking Baseball team captured its 6th S.C.A.L. Championship under Coach Houck's leadership going 10-0 in the league.

Coach Goetz had much to say about this year's team. Coach Goetz felt that the team was, "Really a lot of fun to coach. They did much better than what I expected and succeeded beyond my expectations. They were a real young, competitive team. If they lacked talent, they certainly had the desire." There was, "Never a time I felt they didn't give 100%."

The 1985 wrestling team was accompanied by their "mat rats". The term "mat rat" was used by the team to refer to a group of female gophers. They have done a number of odd jobs for the team ranging from the circulation of programs to keeping score.

Team spirit this past year has been high and the team's performance has shown this. Their toughest opposition has been Richmond. That game was intense right down to the line with Marysville victorious, 40-36. This was their first victory against Richmond in four years.

A great record from 1981 capped by taking District Finalists; Cass City Invitational runner-up; in 1982, League Champs and District Finalists; in 1983 taking State, Regional, and District titles; and last year winning District champs... the Varsity Softball team definitely established a winning tradition, according to Coach Venia.

The Varsity Softball team had an outstanding finish to the season with twenty-seven wins and only seven losses. Coach Venia commented that Richmond and St. Clair teams were the toughest competition all season. The Vikings fixed the rivals with stormy defense as well as baserunning and coaching. Mr. Venia feels that Marysville softball is committed to excellence. They strive to be the best that they can be, although they must work on keeping a winner's attitude.

According to team members, last year's softball team had a great season. The toughest competition was against St. Clair's J.V. Softball team. Kim Smith and Denise Durcan contributed the most to a winning team according to their teammates. The girls also thought Kim and Denise gave all they could to the team. The team felt they would pull together much better if they would put more concentration into the game.

During the 1984-85 season the J.V. Volleyball team was not as well prepared as it could have been according to veteran Denise Durcan. The teammates thought they could become better if they improved their concentration and pulled together working as a team.

Teammates felt Shannyn Fasbender gave the most effort to the team. Especially her serving and spiking have improved team quality. If the team could do anything over again they would play against Marine City.

1. Sarah Warren and Marie Stevenson play hard to win their game.
2. Marion Coutts hits a home run.

According to Varsity Volleyball Coach Knuth, this year's 19-9 win/loss record could have been improved if the seniors had had the same coach for a full four years.

Coach Knuth, nevertheless felt this year's team worked well together. He commented "This year's team is really a good team... Hard working, great enthusiasm, and they continued to improve throughout the year."

Kristen Schwartz was considered the most improved player by Coach Knuth. But he went on to add that Kathy Hartig, Annette Durcan, Audra Ulrich, Tricia Green, and Sue Burns were just a few of his most valuable players.

The team's toughest opponents this year were Dryden and Richmond. But the most exciting games were against St. Clair and Marine City. The team lost to both the Saints and Mariners early in the season, however the more experienced Vikings defeated them later in the season.

Coach Knuth plans to coach next year. He said, "I love coaching girls volleyball".

Girls Steal SCAL Title

According to Captain Audra Ulrich, the Varsity Basketball team has had a pretty good season. They finished the season 9-11. Audra felt their toughest competition in the league this year was against St. Clair and Richmond. Their best performance of the year was when they handed St. Clair a S.C.A.L. loss. This was St. Clairs' first loss for the season. The contest was a 33-31 close decision.

Captain Audra felt there really wasn't any outstanding player on the team, rather the team played together. "There wasn't one person that could always be counted on to score 10 pts. Everyone on the team contributed in every game," said the captain. The coach this year was Mr. Schmorow.

3. The girls' confident feeling shows on their faces.

The Junior Varsity Girl's Basketball team had a very successful season this year. Out of eighteen games they won thirteen. Even though the team does not have a captain, many of the players looked up to Denise Durcan, two year veteran, for leadership. The hardest league game the team faced was against Richmond, whose fast-break proved too difficult. However, the most exciting games were the scrimmages the girls had against themselves and the game they had against St. Clair. According to Kim Smith, "Everyone on the team improved a great amount this year."

Cross Country Makes Bid With New Coaches

This year the Cross Country teams were guided by two new coaches, Peter and Mary Mantei. They replaced Mr. Patterson this season. Mr. Mantei teaches at Richmond High School and also is the boy's track coach in Richmond. Mrs. Mantei works as a teacher in Memphis. In the 1984 track season she was an assistant for the Richmond track team. Even though the coaches were new to the Marysville school district they weren't new to coaching runners.

Goals were set at the beginning of the year. The girls' team went to the state meet and came back delighted when teammate Helen Johnson captured first place in the Class B 5,000km race. The girls' team performed to their utmost ability throughout the season and captured the S.C.A.L. title. First S.C.A.L. team honors went to Helen Johnson, Kim Hyde, Carolyn Emigh and Becky Bushey, second team Jennifer Toles and Kelly Stinson. The girls took first place at the country meet.

Seniors Ron Hart and Topper Stark finish off their high school career by attending the 5,000km individual state meet. The boys' team was successful this season. They placed second at Marysville Invitational, second at S.C.A.L. meet and second at the county meet. Vikings Serve Up Victories

The 1984 Tennis Team concluded a successful season by finishing second in the S.C.A.L. The team was led by senior captain Steve Maynard. Steve is a four year veteran of the team as captain. This year's squad also benefitted from talents of two outstanding players, Alan Collard and Scot Erbe. Al's team members elected Alan the Sportsmanship Award for his competitive spirit, yet sense of fair play. The Sportsmanship Award is given annually to the player who can not only take defeat without complaint, but can also take victory without boasting. Scott Erbe was voted the team's most valuable player. Scott not only won a S.C.A.L. champion medal, but he also was a regional runner up. Scott went on to compete in State Finals in Kalamazoo. Junior Scott Torello and Tom Sprowl were the Vikings number one doubles combination. Coach Ray Martin was pleased with the performance of the 1984 team and is looking forward to a good spring season this year since many team members are returning.

Our school runs very smoothly through the efforts of many special people. The cooks, bus drivers, and custodians spend many hours each week making Marysville High School a better place to work and play.

This year, the cooks went out of their way to improve the lunches and to give the students more variety. A student could have bought a complete lunch or, if he preferred, he might have purchased a combo. A combo has larger portions than the normal lunch, but they are still nutritious. If a student wanted a salad alone, for a reasonable price, he could have created his own salad from the salad bar.

The bus drivers provide us clean and comfortable transportation to and from school, whether it be in the rain, sleet, snow, or sun. These drivers have to learn how to drive the buses correctly to insure the safety of the students and themselves. The bus drivers must drive in difficult weather conditions.

Cleaning the school was a full time job. Throughout the year including the summer, the custodial staff goes through the school from top to bottom repairing and cleaning and making Marysville High School a cleaner place to learn.

This year the new head custodian is Marlyn Kelch. He has been at the high school for eight years. He has taken over a big job; as head custodian he has to make sure everything runs properly. The Viking staff wishes you good luck.

King Kevin Palmateer and his court: Seniors Erik Barden, Don Mack, Steve Maynard; Junior Todd Robinson; Sophomore Randy Socha; and Freshman Joe Miller presided over a week full of fun and competition. Spirit week contests consisted of Back-off Day, Sweats and Security Day, Occupation Day, Clash Day, and ended with Blue /White Day. Sophomore Leanne Conley captured 35 paper buttons to win Monday's Back-off contest. The Maday brothers were double winners. Dave and his purple bear, Walter, both wore sweats to capture the

Sweats and Security Day title. Pat dressed as a hockey player to win Occupation Day. Senior Craig Fasbender sported a large green Robin Hood hat, Hawaiian shirt, and rhinestone tie to win Clash Day. Junior Mary Miller wore her half-bleached blue jeans and made-up her face in blue and white to win Blue /White Day.

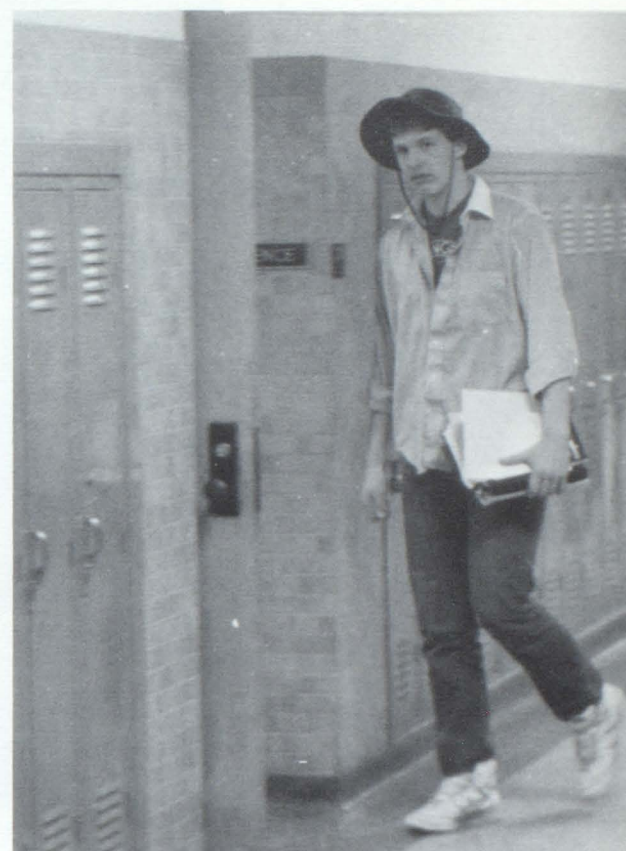

Coming Home features a spirit activity similar to Homecoming. A king and his court are selected to reign over a special Varsity Basketball game. Kevin Palmateer was crowned King Friday, February 22, 1985, during the half-time of the Marine City-Marysville basketball game.

The 1985 Quiz Bowl, an area trivia competition, was extremely well represented according to Mr. Grosser, MHS principal. The Bowl was sponsored by the Coca-Cola Bottling Company, Michigan National Bank of Port Huron, and Senator Dan DeGrow.

The Quiz Bowl competition was open to all high schools in Mr. DeGrow's twenty-eight Senate District, which includes St. Clair, Lapeer, and Sanilac counties. Each school sent

five representatives to the Bowl, which was held at the St. Clair County Community College on Saturday, February twenty-third.

Marysville's team was captained by senior Chris Horbes. The other contestants were Kevin Palmateer, Rob Richardson, Pat Maday, and Ron Howard. Beginning in October, these students studied after school for over three hours per week. They were aided in their studying by Mrs. Gorham and Miss Griffith. Mrs. Gorham said,

"They did just a terrific job and we are so proud of each member."

Each match consisted of two, sixteen minute halves. The first match Marysville played against North Branch and won with 360 points. They even went on to win the second match against Cros-Lex. However, they finally lost in the third match to the eventual tournament winner, Lapeer West. Marysville's advisors determined an appropriate award for these students.

Seniors are now ready to explore new horizons. They will face not only difficult times, but exciting ones as well. There will be a time for college, a time for marriage, a time for a family, a time for work, a time for careers, a time for failures and a time for success. Now is your season, so turn... turn... turn.....
